Conditions of Enrollment *(continued on Page 4)*

NOTICE: California law prohibits an HIV test from being required or used by health insurance companies as a condition of obtaining health insurance coverage.

On behalf of myself and the dependents listed on the reverse side, I agree to or with the following:

1. I acknowledge that by enrolling in the following plans, coverage is provided by the following entities (collectively referred to as "Aetna"):
   - Aetna Primary Care Plan HMO: Aetna U.S. Healthcare of California Inc.
   - Aetna Dental DMO: Aetna U.S. Healthcare Dental Plan of California Inc.
   - Life, disability, dental and all other health coverages: Aetna Life Insurance Company
2. I understand and agree that my employer's application will determine coverage and that there is no coverage unless and until both the eligible employee and employer applications have been accepted and approved by Aetna. Even if this application is approved, any misstatements or omissions may result in future claims being denied and the policy or your coverage under the policy being rescinded or reevaluated, as of the effective date, for eligibility and rating purposes. ***For life coverages:*** I understand that the effective date of insurance for myself or for any of my dependents is

Conditions of Enrollment *(continued from Page 3)*

subject to my being actively at work on that date and that the effective date of insurance for any of my dependents is also subject to the dependent health condition requirements of the benefit plan. Further, I understand that any insurance subject to evidence of good health or medical information will not become effective until Aetna gives its written consent.

3. I understand and agree that this Application may be transmitted to Aetna or its agent by my employer or its agent. I authorize any physician, other healthcare professional, hospital or any other healthcare organization ("Providers") to give to Aetna or its agent information concerning the medical history, services or treatment provided to anyone listed on this Application, including those involving mental health, substance abuse and HIV/AIDS. I further authorize Aetna to use such information and to disclose such information to affiliates, Providers, payors, other insurers, third party administrators, vendors, consultants and governmental authorities with jurisdiction when necessary for my care or treatment, payment for services, the operation of my health plan, or to conduct related activities. I have discussed the terms of this authorization with my spouse and competent adult dependents, and I have obtained their consent to those terms. I understand that this authorization is provided under state law, and that it is neither a "consent" nor an "authorization" within the meaning of the federal Heath Insurance Portability and Accountability Act. This authorization will remain valid for the term of the coverage and for so long thereafter as allowed by law. I understand that I am entitled to receive a copy of this authorization upon request, and that a photocopy is as valid as the original.
4. The plan documents will determine the rights and responsibilities of member(s) and will govern in the event they conflict with any benefits comparison, summary or other description of the plan.
5. I understand and agree that providers and vendors are independent contractors in private practice and are neither employees nor agents of Aetna or its affiliates. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.
6. I understand and agree that, with certain exceptions described in the plan documents, HMO and DMO plans only provide coverage for referred benefits, and that, in order to be covered, services must be performed either by a participating primary care physician, primary care dentist, or by the participating specialist, hospital, pharmacy, dentist, or other provider as authorized by a referral from a participating primary care physician.

Authorizations

7. I authorize deductions from my earnings for any contributions required for coverage, and I agree to make any necessary payments as required for coverage.
8. I authorize the substitution of generic pharmaceuticals for the brand-name products, as provided by law, for prescriptions filled under any pharmacy benefit.

Misrepresentation

9. Attention California Residents: For your protection, California law requires notice of the following to appear on this form: Any person who knowingly presents a false or fraudulent claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.

I represent that all information supplied in this form is true and complete. I have read and agree to the Conditions of Enrollment, Authorizations and Misrepresentation on this California Small Group Business (2 - 50 Eligible Employees) Employee Enrollment/Change Form. I understand that in the event I fail to sign and return this form to my employer within either the open enrollment period or 31 days after eligibility for enrollment or request for coverage change, or if for any reason Aetna does not receive notice of the above transaction request within a reasonable time following eligibility to enroll in or change coverage, my and my dependents' eligibility may be affected.

I am employed by the employer shown on Page 1, and I am working full time at least 20 hours per week for this employer at the regular place of business.

Notice of Binding Arbitration: Any dispute arising from or related to Health Plan membership will be determined by submission to binding arbitration, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. The agreement to arbitrate includes, but is not limited to, disputes involving alleged professional liability or medical malpractice, that is, whether any medical services covered by this Agreement were unnecessary or *were unauthorized or were improperly, negligently or incompetently rendered.* The Health Plan agreement also limits certain remedies and precludes the award of punitive damages. See the Evidence of Coverage for further information.

I understand that I am giving up the constitutional right to have disputes decided in a court of law before a jury, and instead am accepting the use of binding arbitration. This means that members will not be able to try their case in court. I further understand that the agreement contains limitations on certain remedies and that members cannot recover punitive damages.
