## Request for Direct Rollover of Funds to American General Life

#### **American General Life Insurance Company**

Administrative Center • P.O. Box 871 • Amarillo, TX 79105 Home Office • 2727-A Allen Parkway • Houston, TX 77019

#### **LEGAL INFORMATION**

The information in this notice applies to IRAs, Roth IRAs, and employer-sponsored plans, including tax-sheltered annuity arrangements and governmental 457 deferred compensation plans.

#### **Direct Transfers**

The accumulated value to be transferred may have been subject to sales and/or administration charges. The amount transferred will be subject to the terms of the American General Life Insurance Company contract. You are responsible for any taxes or penalties due should this transaction not comply with the applicable IRC provisions. Please consult with qualified tax counsel prior to electing this transaction.

Although the amount transferred is in general not subject to withholding requirements because it is not includible in your gross income for the year of transfer, if this transfer does not comply with applicable legal requirements, you may be responsible for estimated tax payments if you do not have enough federal income tax withheld from income.

#### **Eligible Rollovers**

Most withdrawals from tax-favored retirement plans are eligible for rollover either to an IRA or to another plan if the receiving plan accepts such rollovers. Some plans do not accept rollovers of certain types of distributions. Check with the administrator of that plan about whether the plan accepts rollovers and, if so, the types of distributions it accepts.

#### **Rollovers by Beneficiary**

Only spousal beneficiaries are allowed to roll over distributions to an IRA or another plan. The receiving plan must accept such rollovers. Non-spousal beneficiaries are not allowed to roll over distributions.

#### **Direct Rollovers**

Any amounts under your employer-sponsored plan that will not be subject to federal income tax when distributed may be rolled over directly to an employer-sponsored plan, if such plan accepts such rollovers, or to an IRA.

Rollovers may be subject to the plan restrictions of the receiving plan. The new plan restrictions may be different, or more or less restrictive, than the plan from which the amounts were rolled. Check with the administrator of the receiving plan prior to making your decision in order to clearly understand what restrictions may apply.

#### **Distributions Paid Directly to You**

If the distribution you are rolling over was paid directly to you, you may roll over any pre-tax amounts to another employer-sponsored plan or to an IRA within 60 days. Any distributions of after-tax contributions paid directly to you may not be rolled over to another employer-sponsored plan. However, they may be rolled over to an IRA within 60 days.

#### **Amounts Not Eligible For Rollover**

Some amounts not eligible for rollover include amounts paid to non-spousal beneficiaries, amounts paid from a nonqualified (after-tax) annuity that is not part of your employer's plan, financial hardship withdrawals, and amounts paid from certain deferred compensation plans. In addition, nondeductible (after-tax) IRA contributions are not eligible for rollover to an employer-sponsored plan.
